

## Johnson Farms Fundraiser

Do you plant flowers each spring? How about your neighbors or family members? Johnson Farms Gift Certificates are now on sale for SPRING FLOWERS and/or DECORATIVE FALL PRODUCE AND PLANTS in the fall! The gift certificates are available in \$10 or \$25 denominations and no longer have an expiration date! A percentage of each certificate does go into your ALLEGRO account! These make great teacher or Mother's Day gifts!

Johnson's grow beautiful, healthy plants right on the farm. Their 1 1/2 acre greenhouse features an abundant variety of annuals, perennials, landscape ornamentals, specialty containers, and hanging baskets. You'll be able to beautify your home with vigorous plants in colors and combinations not typically seen. You will also find many out-of-the-ordinary plants that are usually unavailable from most garden centers. Check out their website at [www.johnsonfarms.net](http://www.johnsonfarms.net) . If you would like to see the flowers, stop by the Allegro table to view a short portfolio of recent shots!

**Remember...Choir members receive \$3.50 Allegro Account credit for each \$25.00 certificate purchased and \$1.40 account credit for each \$10.00 certificate purchased.**
